

Schedule Builder

How to Devise an Ideal Fall Schedule

Presented by the Student Success Center

SEE YOUR ADVISOR

- Each semester you need to meet with your advisor to approve your selected courses prior to being able to register.

WHAT IS SCHEDULE BUILDER?

- A program that helps you build your ideal schedule based on desired classes and other activities such as work or extra-curriculars
- Used in conjunction with the course schedule and your Degree Works/major pattern sheet.

HOW DO I FIND IT?

- Log in at portal.wvu.edu
- Click on Schedule Builder

SELECT A TERM

- Choose Fall 2024

Select Term

Add the courses you wish to take for the upcoming term.

Breaks

[+ Add Break](#)

Add times during the day you do not wish to take classes.

TIME TO BUILD!

- Begin typing the Subject of the course you want (Ex. ENGR) or use the dropdown and scroll to find it.

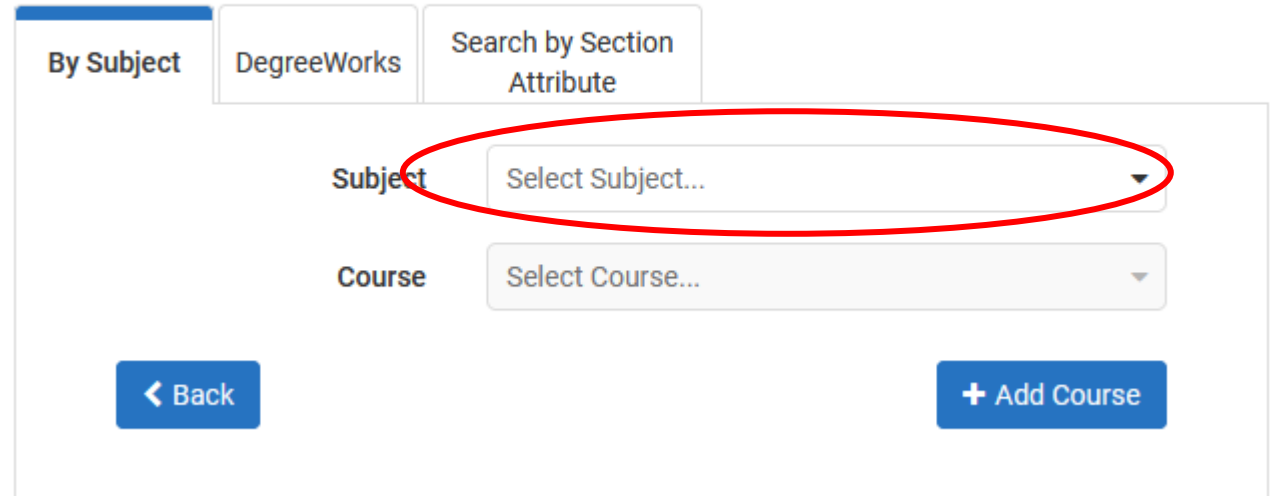

Add Courses for Fall 2024

By Subject DegreeWorks Search by Section Attribute

Subject

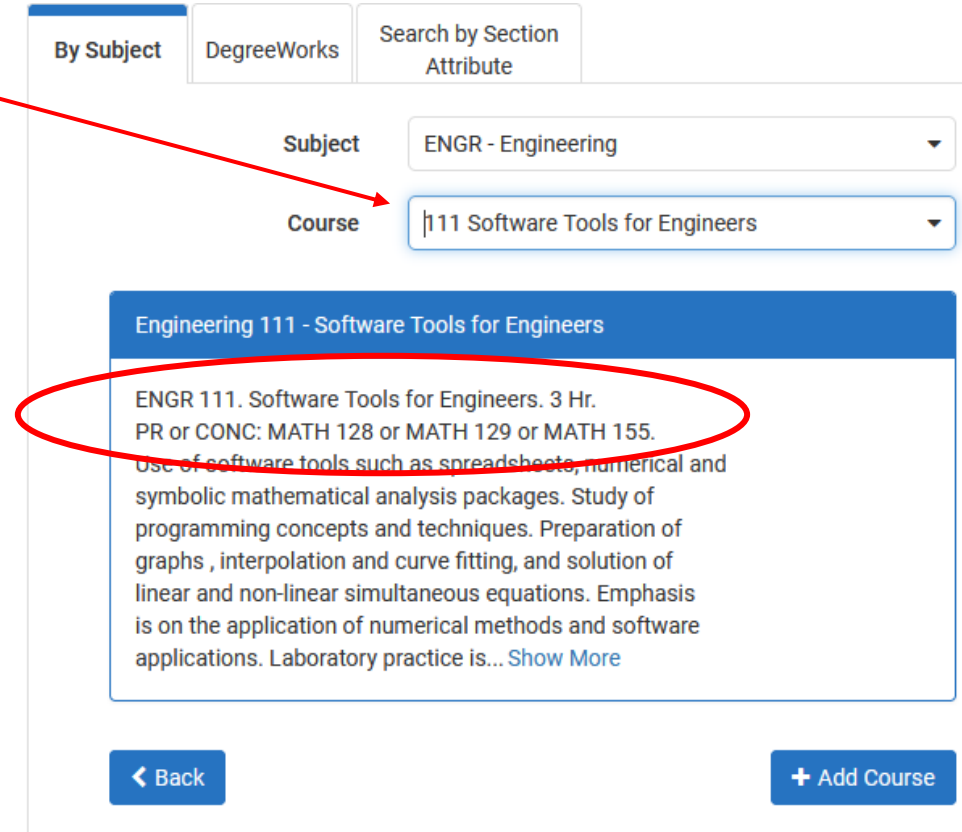

Course

[← Back](#) [+ Add Course](#)

The image shows a web interface for adding courses. At the top, there are three tabs: 'By Subject' (which is active), 'DegreeWorks', and 'Search by Section Attribute'. Below the tabs, there are two dropdown menus. The first is labeled 'Subject' and has the text 'Select Subject...' inside it. This dropdown menu is circled in red. The second dropdown menu is labeled 'Course' and has the text 'Select Course...' inside it. At the bottom of the form, there are two buttons: a blue button with a left arrow and the text 'Back', and a blue button with a plus sign and the text 'Add Course'.

CHECK PRE-REQS

- Select the Course you are looking for.
- Pre-requisite course information is in the description.
 - PR = pre-requisite
 - CONC = concurrent
- Note: Sometimes WVU and Tech PRs are different.

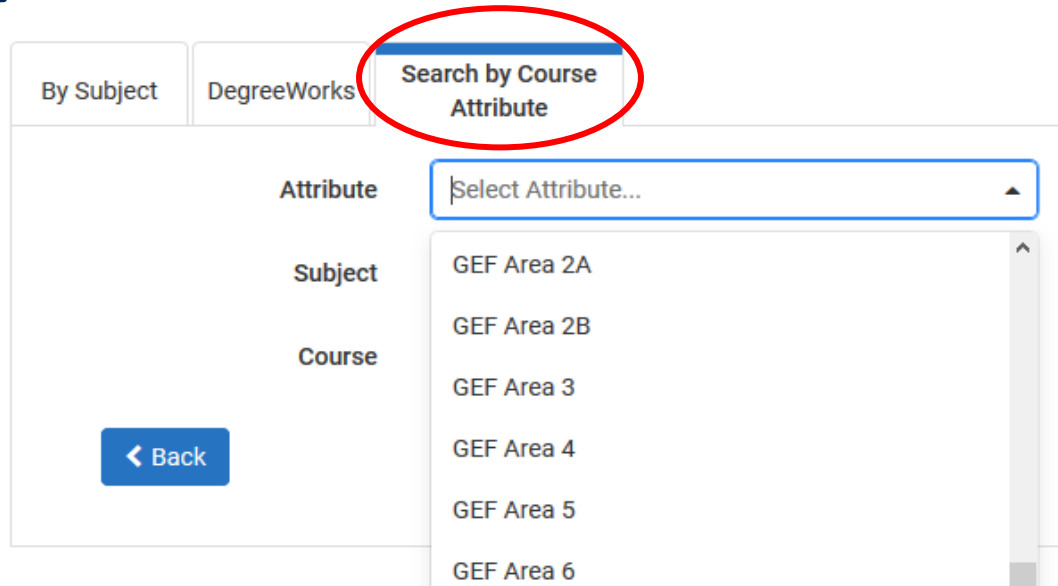

The screenshot shows a web interface for selecting a course. At the top, there are three tabs: "By Subject", "DegreeWorks", and "Search by Section Attribute". Below the tabs, there are two dropdown menus. The first is labeled "Subject" and has "ENGR - Engineering" selected. The second is labeled "Course" and has "111 Software Tools for Engineers" selected. A red arrow points from the first bullet point of the text to the "Course" dropdown. Below the dropdowns, there is a blue header for "Engineering 111 - Software Tools for Engineers". The description below the header is circled in red and contains the text: "ENGR 111. Software Tools for Engineers. 3 Hr. PR or CONC: MATH 128 or MATH 129 or MATH 155. Use of software tools such as spreadsheets, numerical and symbolic mathematical analysis packages. Study of programming concepts and techniques. Preparation of graphs, interpolation and curve fitting, and solution of linear and non-linear simultaneous equations. Emphasis is on the application of numerical methods and software applications. Laboratory practice is... [Show More](#)". At the bottom of the interface, there are two buttons: a blue button with a left arrow and the text "Back", and a blue button with a plus sign and the text "Add Course".

- Next, click **Add Course**

SEARCH TIPS

- In the Add Courses Menu, you can also choose to Search by Course Attribute.

The screenshot shows a web interface for adding courses. At the top, there are three tabs: 'By Subject', 'DegreeWorks', and 'Search by Course Attribute'. The 'Search by Course Attribute' tab is highlighted with a red circle. Below the tabs, there is a dropdown menu labeled 'Attribute' with the text 'Select Attribute...' inside. The dropdown is open, showing a list of options: 'Subject', 'Course', 'GEF Area 2A', 'GEF Area 2B', 'GEF Area 3', 'GEF Area 4', 'GEF Area 5', and 'GEF Area 6'. A blue button with a left arrow and the text '< Back' is located at the bottom left of the interface.

This is helpful when looking for GEF courses.

Be sure to not select GECs.

WILD WILD WEST

Caution!

Schedule Builder will allow you to add any course to your schedule, regardless if it is one you are eligible to register for.

- Be sure to check pre-requisite information and restrictions, as well as ensure it is a class offered by Tech.
- **Tech course sections begin with a T!**

TO SELECT TECH COURSES...

- If you selected the *Off Campus/Online* campus option, you must de-select other campus' courses.

CLASSES OFFERED BY OTHER WVU CAMPUSES

- Tech students may take classes online through Potomac State (Keyser) or WVU Morgantown campuses.
 - Cannot register for them through Schedule Builder.
 - Must complete a Dual Campus Request form.
 - There may be additional fees associated.
 - Consult the schedule of courses to identify restrictions and requirements (ex: limited to certain majors, ranks, or different pre-requisites).

FINALIZE SELECTION

- Continue selecting courses and clicking **Add Course** until all of your desired courses appear on the *Courses* list on the right side of the page.

The screenshot displays a web interface for course selection. At the top, there are tabs for 'By Subject', 'DegreeWorks', and 'Search by Section Attribute'. Below these, there are two dropdown menus: 'Subject' set to 'SM - Sport Management' and 'Course' set to '275 The Olympic Games'. A detailed view for 'Sport Management 275 - The Olympic Games' is shown, including the course title, credit hours (3 Hr.), and a description: 'SM 275. The Olympic Games. 3 Hr. An examination of the historical development of the Olympic Games from the Greek classic period (500 B.C.) to the games of the XXVI Olympiad of Atlanta in 1996.' At the bottom of this view are two buttons: '< Back' and '+ Add Course'. To the right, a 'Courses' list (circled in red) contains five items: MATH 155 Calculus 1, CS 122 Computer Science 2, EE 101 Introduction to Electrical and Computer Engineering, ADRC 102 Adventure in Society, and SM 275 The Olympic Games. Each item has an information icon and a close icon.

- Click **Back** when all desired courses have been added.

GENERATE SCHEDULES

- Make sure **Select All** is checked in your list of Courses.
- Click ***Generate Schedules***.

The screenshot displays a user interface for selecting courses. At the top right, there is a blue button labeled '+ Add Course'. Below this is a section titled 'Courses' containing a list of course entries. Each entry has a checkbox on the left, the course ID and name in the middle, and a set of action icons on the right. The 'Select All' checkbox is circled in red. A red arrow points from the text 'Click *Generate Schedules*' to a blue button labeled 'Generate Schedules' located at the bottom of the interface, under a section titled 'Schedules'.

ERROR RESOLUTION

Common errors and resolutions are provided on the WVU Registrar's site <https://registrar.wvu.edu/registration/registration-errors-messages>

Most common is a Level Restriction error.

1. Check the Section number
 - Tech sections begin with T
 - PSC sections start with a P
 - WVU sections start with a number
2. Select a Tech section
3. Or, if Tech doesn't offer the course you need, go to the Registrar's webpage. www.techregistrar.wvutech.edu
 - Go to Forms
 - Select the **WVU System Visiting/Dual Campus form**
 - Click on the form and save it to your device
 - Submit a Ticket for approval

If you can't figure out why you're getting the error, reach out to your advisor.

STAY ORGANIZED

- Take a screen shot and update your pattern sheet.
- Remember the schedule still may change.
- Be sure to look up your schedule in STAR at the start of the spring semester and throughout Add/Drop week.

QUESTIONS?

Thank you!
